

Thank You Knights!!!
From One of Our Buddies

Camp is a happy week away from my family every summer. I have been going to camp since 1992. In 3 years I will receive an award for 20 years of going to camp. That is so cool. When I am at camp, I feel very independent, happy, safe and loved. At camp, we laugh a lot, we sign a lot, we dance a lot, we do activities together, we swim, we rest, we get great, wonderful food, but mostly I get to spend time with old friends and make new friends too. Camp friends are SO special. I wait and plan all year long for my camp week to come. My dream is to buy the camp on the hill so I can rename it HAPPINESS HILL. I love it SO much.

I want to thank all the Knights of Columbus for giving me the gift of free camp. It means a lot to me and my parents.

Thank you all so much!
